

## LAAA Volunteer Program

The support from our membership volunteers is emphatically appreciated by our Staff and Board. Volunteer support explicitly enhances the ability of our limited staff to better serve our mission and community.

The Volunteer Program provides LAAA members with a variety of opportunities to get involved in their organization, meet fellow members, interact with the public and support your organization. It is required for each LAAA member to participate in this program by providing a minimum of six (6) hours of volunteer time per year.

Volunteer opportunities include:

- Gallery Preparation: including patching and painting
- Serving at events, programs and exhibitions
- Assisting with Membership Screening
- Mailings
- Selling artwork at openings and events
- Gallery maintenance and construction, ie. use your trade skills to make general repairs, upgrades and construction
- Join an LAAA Committee such as the Development and Communications Committee, Film and Video 825 Committee, Program Committee, Gem Show Committee. (For more information on committees please inquire with an LAAA Staff member.)

**NEW:** In response to the number of artist members unable to fulfill volunteer hours, LAAA Members may now opt out of Volunteering by paying an additional \$50 in yearly membership dues.

I agree to the volunteer responsibilities set forth above and will serve my requirement of 6 hours (or more) for the 2008 calendar year.

OR

I agree to pay an additional \$50 & waive the 2008 volunteer commitment.
